## PROGRAM:

Pathways Future Center School offers credit recovery and initial credit courses. These courses are offered in the evening for students who are currently enrolled in an Adams 12 Five Star School. These tuition-based, digital courses are offered at night. Each course is offered for 6 weeks and the expectation is that students attend the Futures Center, two nights per week, either Monday and Wednesday, or Tuesday and Thursday, per course for the entire six weeks. Each course must be completed by the end of the hexter, or a grade of an "F" will be recorded on the transcript. Please make sure you note on the registration form whether the course is a Credit Recovery or an Initial Credit course. ## STUDENT EXPECTATIONS:

**PROGRESS:** A student is expected to complete 20% each course weekly. This will require additional time outside of the scheduled class time to complete. This pace will allow you to finish the course in 5-6 weeks. Your teacher will be available on site weekly and will be available via email to help you with your academic needs. Grades will post to transcript at the end of each hexter.

**ATTENDANCE:** It is expected that you will attend every session that you are assigned for your course.

- If an absence must occur, the student **must notify** the office (720-972-4723) before the class to be missed.
- Once the student has successfully completed the assigned course, she/he no longer needs to attend.
- Communication with Pathways teachers and staff is essential.
- PLEASE SEE A PATHWAYS ADMINISTRATOR IF YOU NEED AN ALTERNATIVE SCHEDULE.

**BEHAVIOR:** It is expected that students attending Pathways' Credit Recovery Program adhere to all Adams 12 Five Star Schools Superintendent Policies. This includes dress code, language, and all other behavior policies. Please see [www.adams12.org](http://www.adams12.org) for more information regarding Adams 12 Policies.

**TUITION:** Each course requires a tuition payment upon registration. The tuition payments are used to pay the teacher's salary and the cost of the digital curriculum. Please be prepared to pay the following fees when you register for the course. Pathways accepts cash, credit cards, and checks. Payment plans are also available, but will require a down payment to start the course.

**One course = \$180**

**Reduced lunch = \$90**

**Free lunch = \$60**

*I understand that withdrawal from class must take place prior to the second week of class otherwise I will be assigned an "F" on my transcript. A \$30.00 fee will be charged for each dropped class. I also understand that non-attendance and/or non-payment of fees cannot be considered withdrawal. A grade will be assigned and fees assessed. I also understand that I must complete the course by the end of the hexter. I understand that each course might have paper and pencil tests, projects and other content related work that I need to discuss with my teacher. Fees are required at the time of registration. I have met with my counselor/advisor and assume responsibility for selecting classes which fulfill graduation requirements. I accept and agree to abide by the above-stated policies and all Adams 12 Superintendent Policies.*
